has established and maintains a management system to the application of the Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011, laying down harmonized conditions for the marketing of construction products (Construction Products Regulation – CPR) " for:

The manufacturing of carbon steel products that can be directly applied in load-bearing structures according the technical requirements of the European standard EN 1090-2 : 2018 + A1 : 2024 the execution classes up to EXC 2 and the methods of declaration 3a

This certificate is based on the result of an initial inspection documented in the assessment report **ANT/32/61594232/00/NL/000**

Certificate number: **0026-CPR-0359**
Start of validity: **09/12/2025**
Foreseen continuous surveillance cycle: **1, 2, 3, 3, ... years**

Vinçotte nv has performed the initial inspection of the manufacturer and achieves the continuous surveillance, assessment and approval of Factory Production Control imposed by the standard EN 1090-1 + A1:2012. This certificate stipulates that all the provisions under consideration relating to the attestation of performance, described in Annex ZA of the standard, have been applied. This certificate remains valid as long as the conditions specified in the reference standards, the conditions of production in the factory or the Factory Production Control program do not change significantly.

Further clarifications regarding the scope of this certificate and the applicability of the FPC certificate requirements may be obtained by consulting the organization.

This certificate is granted subject to Vinçotte nv Conditions and the General FPC Regulations.
